HOW TO:

Determine If My Pet Has Been Found Pet Owner

- STEP 1:** Click “Sign In” in the upper right-hand corner
- STEP 2:** Enter your email (username) and password, then click “Sign In”
- STEP 3:** Locate the pet on the Dashboard upon logging in. If your pet has been found, you will see an orange pop-up informing you of this. There will also be an orange circle around the pet, and it will say “Your pet has been found! Click here for more details”
- STEP 4:** Click “Click here” to view the alert details
This will take you to the Notification Center, where you can view the alert details
- STEP 5:** You may also get here by clicking “Notifications” at the top of the page, then selecting the “Incoming Found Pet Alerts” tab
- STEP 6:** For additional information, such as how and when the system reached out to you, click “View Alert Details”
- STEP 7:** To turn off the alert, click “Cancel Alert” and select your reason for doing so
